

**BUILDING DESIGNERS
ACCREDITATION & TRAINING**

SustainAbility Design™ Specialist

CERTIFICATE OF ATTAINMENT

This is to certify that

David Miniter

has satisfactorily completed the 4 units comprising the Sustainability Design Specialist Masterclass and is authorised to use the logo and the appellation 'Sustainability Design Specialist' in relation to their building design practice.

The program carries the recognition of 24 hours of formal continuing professional education/development which can be further verified by the Building Designers Association of Australia on request.
